

CHARITABLE DONATIONS

At Atlas Global Bistro, we strive to support the community we are a part of and support a number of local nonprofit organizations, and causes. We focus our giving on groups operating within Detroit city limits. The most common form of donations we provide are gift certificates or food for special events. We evaluate applications based on the following guidelines:

1. The recipient must be a 501C3 nonprofit organization. A copy of the 501C3 letter from the IRS must accompany the application in order for your request to be considered.
2. The application must be received at least 4 weeks before the “pick up” date in order to be considered. Because the Donations Budget is limited, early submission of your application is recommended. Extra lead-time would be appreciated during peak times of the year.
3. The organization must fall into one of the categories Atlas supports.
 - a. Arts and Education
 - b. Hunger Relief
 - c. Green initiatives
 - d. Preventative Health Care & Wellness
4. We do not donate to individuals, individuals seeking pledges, multiple requests from the same organization or organizations and/or causes outside of the area. Past support of an organization or an event is not a guarantee of future support.
5. We encourage electronic submissions rather than mailed requests. Please email your request with all required documentation to: Joe_AGB@comcast.net. Neither phone nor walk-in requests will be granted. If you must mail a paper request, please send it to: Atlas Global Bistro / Charitable Donations – 3111 Woodward Avenue Detroit, MI 48201.
6. With your request, please include:
 - a. Information about the project and the agency including programs, needs, goals, and the percentage of donation applied to administrative costs.
 - b. How the proceeds will be used
 - c. List of other major sponsors
7. Expect a response within 30 days of our receipt of your request.

Although we would like to support every worthwhile cause, due to the volume of applications, it is not possible for Atlas to fulfill every request.
